**We are looking for rebuildable cores- Caterpillar® P.N.

If you have/find any of these actuators, please contact us at 218-727-4220 or [sales@tripowertrading.com](mailto:sales@tripowertrading.com)

We would be interested in purchasing them outright from you, or else we plan on stocking our shelves so we have good, tested, rebuilt actuators ready for when you or your customers need them.

If you are interested in our program, please contact us for pricing and a flyer that outlines our rebuilding and testing parameters.
